

The image features a minimalist abstract design. It consists of several overlapping semi-circular shapes. A large orange semi-circle is positioned at the top, with a smaller magenta semi-circle nested inside it. Below this, another orange semi-circle is visible, and at the bottom, a large magenta semi-circle overlaps with the orange one. The text 'espresso arte oggi in italia' is centered horizontally across the middle of the composition, overlapping the orange and magenta shapes.
